Notice

Harlowton Public Schools, School District 16, Wheatland County, Harlowton, Montana maintains that:

The School System shall help the children from all walks of life to gain the knowledge, skills and determination that will enable them to reach their highest potential and to contribute to the welfare of all people.

The School System shall establish and maintain an atmosphere in which all persons can develop attitudes and skills for effective cooperative living, including:

1. Respect for the individual regardless of economic status, intellectual ability, race, creed, color, religion, sex, or age.
2. Respect for cultural differences.
3. Respect for economic, political and social rights of others.
4. Respect for the right of others to seek and maintain their own identities.

The School System shall continue to promote good human relations by removing all vestiges of prejudice and discrimination in employment, assignment, and promotion of personnel; in locations and use of facilities; in curriculum development and instructional materials; and in the availability of programs for children.

The School System shall continue to re-examine its policies and procedures to determine their effect on individual and group behavior and to make whatever changes are necessary to improve human relations.

The School System shall continue to take affirmative action to make opportunities for employment and promotion available to every individual solely on the basis of his or her qualifications and without regard to sex, age, race, color, creed or national origin.
